## **KCR Announces Five More IBS Nominations and Shows for Spring Semester FOR IMMEDIATE RELEASE - Jan. 27, 2017**

SAN DIEGO — KCR College Radio, San Diego State University’s (SDSU) premier student-run radio station, has picked up five additional finalist nominations for the 2017 Intercollegiate Broadcasting System (IBS) Awards announced on Jan. 23, 2017. In total, there are 10 Golden Microphone Awards KCR is eligible for. New nominations include Best Comedy Program (Video) and four IBS Management Awards. (See full list below)

KCR was initially nominated for five IBS Awards in December 2016. The four IBS Management Award nominees include best sports, news and social media directors as well as station manager.

“I’m very proud to be recognized for all the hard work that I put into KCR on an individual level,” said Kelsey Donahue, social media director of KCR and first time management nominee. “KCR has opened so many doors for me, and I hope that this nomination can open more doors for all of our staff members, as well as KCR as an entity.”

KCR’s spring semester will resume on-air Jan. 30, 2017 with new members on staff and management. Winners and finalists for the awards will be recognized on March 4, 2017 in New York City.
